

# OCTOBER

## 31<sup>st</sup> October - Halloween

Halloween is an international celebration. On Halloween children dress up with different costumes and go from house to house and ask for sweet candy by saying: "trick or treat". By lighting bonfires and wearing masks and costumes people, in the past, tried to mimic the evil spirits or keep them away. Today Halloween is an international holiday celebrated on 31<sup>st</sup> October. This holiday is celebrated in different ways all over the world. On this day people give candy to children. That's why children like this day so much.
