

FEBRUARY

Carnival

Carnival is celebrated the week before Lent.

These days we dress up with masks and disguises. People celebrate eating and drinking a lot, singing and dancing, and there are Carnival parades and contests.

In Cadiz (South Spain) there are some specific humorist singers known as "Chirigotas". They act and sing in the streets and everybody stops and listens to their songs and lyrics, sometimes related to politics, celebrities, etc., and all have fun together.
